

From Advent to Christmas

Verse 1

From Advent to Christmas we watch for the Lord.

We listen and pray and ponder God's word.

The prophets foretold it: a savior would come.

From Advent to Christmas, we look for the One.

Refrain

Blest candles of advent illumine our days

As we move toward Christmas in wonder and praise.

Verse 2

From Advent to Christmas we hear John's great voice

That beckons us all: repent and rejoice!

The Baptist proclaimed it; we must change our ways.

From Advent to Christmas, we pray for that grace.

Refrain

Blest candles of advent illumine our days

As we move toward Christmas in wonder and praise.

Verse 3

From Advent to Christmas we pray for the world,

That warring may cease and peace be restored.

The Scriptures demand it, oh let them be heard.

From Advent to Christmas we cling to God's word.

Refrain

Blest candles of advent illumine our days

As we move toward Christmas in wonder and praise.
